

BATOD East

Report for NEC meeting 10 June 2017

1. Regional/National information and events report

Continued focus on BATOD East's engagement with members and the recruitment of new members to the committee. As referenced at last NEC the committee will continue to liaise with heads of service to encourage their teams' membership of BATOD East, noting feedback from on LA that committee times outside core teaching hours is a limiting factor for some members.
