

Mutt & Jeff Pictures

**Mutt & Jeff Pictures** are looking for deaf families, carers and children and individuals who sign British Sign Language to appear in a new wildlife programme.

We are looking for people who are actively interested in wildlife and birdwatching and want to know more about the animals and birds that visit your garden, balcony, school garden or local park.

- Do you know the names of the birds who visit your garden or your flat balcony? Do you put out bird seed or fresh water for the birds during the year?
- Do you wonder about the different foxes who pass through where you live?
- Do you plant flowers to encourage the bees to your flowerpots or the garden?
- Do you leave piles of leaves and logs to encourage hedgehogs to your garden or school garden?

If yes.

Please contact Sam Arnold - [samarnold222@gmail.com](mailto:samarnold222@gmail.com)

**Deadline**  
**3rd August 2020**
