## **BATOD**

The British Association of the Teachers of the Deaf (BATOD) is the sole professional association for Teachers of the Deaf in the UK. The Association represents the interests of Teachers of the Deaf and the children and young people they teach with a range of Government and other agencies. In addition, the association provides a range of practical support to its members, including a website containing many relevant resources and CPD through a variety of courses and conferences and national and regional meetings to provide relevant up-to-date information and to disseminate good practice. Member benefits include

- Association Magazine
- Refereed Journals (DEI) and complimentary downloads of all Journal articles
- Full access to Consultant
- Full access to members' area of website
- On-line resource area
- Discounted CPD fees
- Tax relief

For more information visit <https://www.batod.org.uk/>

## **BAEA**

The British Association of Educational Audiologists (BAEA) exists to raise the professional profile of Educational Audiologists, to provide some resources via website, and a forum for communication between professionals. BATOD recognises the role of Educational Audiologists who, in the UK, are often also qualified Teachers of the Deaf. The Educational Audiologist works predominately in the field of the deaf child/young person's experience, the home, the school setting and often the audiology clinic. The Educational Audiologist is uniquely placed to engage in a high level of multi-agency work alongside local Teachers of the Deaf, clinical audiologists, paediatricians, a range of other professionals and families. The Educational Audiologist can now register professionally; their qualification and professionalism are now recognised by the Registration Council for Clinical Physiologists (RCCP). This body supports and assures a level of knowledge and expertise, supporting best
