Work in small groups. Each person needs two 5 x 5 grids. On one 5 x 5 grid, mark a secret location for your кафе, ресторан & готель. The other grid remains BLANK. Go through the micro dialogue with other people in your group saying the complete dialogue AND NOTHING ELSE (on penalty of disqualification). Show the person you are talking with where your secret locations are, using the blank grid. They will then mark the spot on their grid with an X.

This is a bingo game. Who will get the first line? Will anybody get a full house? If there are no lines at the end, the winner will be the person with the most squares filled with an X. You may talk to people in other groups.

Mark your кафе, ресторан & готель on one grid, and add the locations of other people's кафе, ресторан & готель.

6	7	8	9	10
11	12	13	14	15

Fold here (to hide your locations)

Keep one grid <b>BLANK</b> to use as you point out, кафе тут / ресторан тут / готель тут. <b>Kafe tut. / Restoran tut. / Hotel' tut.</b>
