### 3. Drinks. Activities. [Video.](#)

1. Trace over the Ukrainian print, to help you begin to recognize the letters.

Моя вода Moya voda	Твоя кава Tvoja kava
Мій чай Miy chay	Твій сік Tviy sik
Моє вино Moye vyno	Твоє пиво Tvoye pyvo
Це мій чай Tse miy chay	Де твоя вода? De tvoya voda?
Де моя кава? De moya kava?	Це не твоє пиво Tse ne tvoye pyvo

2. Can you say what all the Ukrainian words mean? Choose from this list:

Where is your water?	Where is my coffee?	Your coffee	This is my tea	My wine
Your beer	This is not your beer	My water	Your juice	My tea

Are there letters you like and letters you dislike?

Do you agree with your friends?

3. Make 12 stations around the room, or, if you want to play on a smaller scale, around the table. Decide which station you have to hit for each picture. This might take some discussion until it is decided and CLEAR. Use the Ukrainian sentences in your discussion ... the English ones are banned!

Choose someone to read the sentences aloud, in a random order.

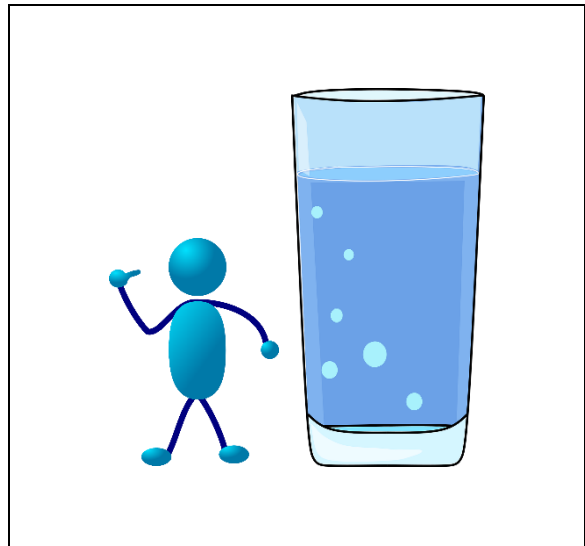

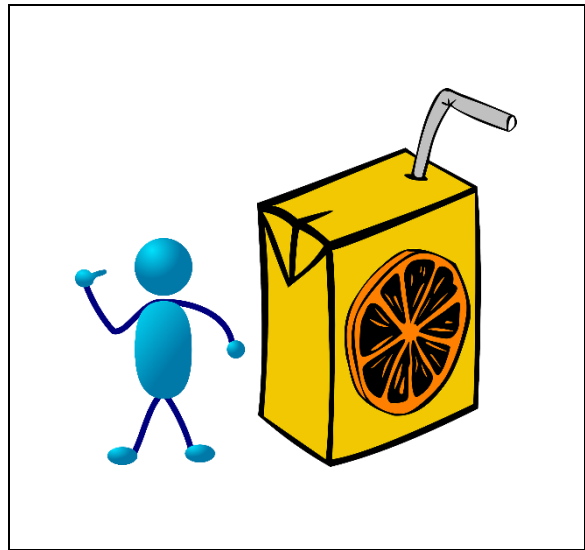

Put a picture at each station. The first team there, wins the point.
