## 5. Clothes. Activities. [Video](#)

1. Trace over the Ukrainian print, to help you begin to recognize the letters.

Мій светр Miy svetr	Моя футболка. Moya futbolka
Мої шорти Moyi shorty	Твій светр Tviy svetr
Твоя футболка Tvoya futbolka	Твої шорти Tvoi shorty
Я не знаю Ya ne znayu	Що це? Shcho tse?
Я не твоя мама! Ya ne tvoya mama!	Це не тут? Tse ne tut?

2. Can you say what all the Ukrainian words mean? Choose from this list:

Your sweater	My t shirt	Is it not here?	Your t shirt	Your shorts
I am not your mum!	My shorts	What is this?	I don't know	My sweater

Are you getting used to some of the letters? For each letter, decide if it is easy, medium or difficult. Would you like English to adopt any of the Ukrainian letters? Which ones? Do other people agree with you?

3. Cut these “cards” out. Use them to build dialogues between someone who is looking for an item, and their flatmate. When you are happy with a dialogue, read it with a partner, then turn over a card so you can’t see it and read it again. Continue the process until you can read the complete dialogue without seeing the writing. Then make another and do it again!
