Here are 3 new words. They mean t-shirt, shorts and sweater. Can you work out which one is which? Notice the different words for my.

- Мої шорти. **Moyi shorty.**
- Моя футболка. **Moya futbolka.**
- Мій светр. **Miy svetr.**

Earlier in the course, we have seen 3 different words for my, for masculine, feminine and neuter nouns. There is one more here, for plural nouns. Here is a table showing words for my and your, using the words for sweater (m), t shirt (f), video (n) and shorts (p).

	Masculine	Feminine	Neuter	Plural
My	Мій светр	Моя футболка.	моє відео	Мої шорти.
Your	Твій светр	Твоя футболка	Твоє відео	Твої шорти

If you have completed all the lessons so far, you will have seen how to ask “where is ...?” The answers could be here, тут, **tut**, or there, там, **tam**. For the question, “is this my ...?” the answers could be yes, так, **tak**, no, ні, **ni**, or I don’t know (new phrase): я не знаю, **ya ne znayu**. Now we have everything we need to enjoy some varied micro dialogues in Ukrainian. You can also ask, що це? **Shcho tse?** This means what is this, so it is a very useful bit of language for learners: Що це?
