BATOD National – Save the date

BATOD is pleased to announce a joint Congress with FEAPDA (The European Federation of national associations and of organisations of professionals working with Deaf children and young people) and with NCSE (National Council For Special Education). The Congress will take place on **Friday 26th and Saturday 27th April 2024** in Dublin. The theme is **Exploring the diversity of deaf learners in their many lives: implications for our knowledge and practice**

Each deaf child or young person brings a unique experience to their education. The combination of their varying home cultures, their additional needs and their perspectives on their own lived experience raises questions about how to shape practice and monitor outcomes. *Watch this space for further information.*
