

Calling Hearing Care Professionals: Help us improve hearing support for ethnic minority children.

We seek your help in improving hearing services for children from ethnic minority families. We are looking for hearing care professionals who work with children to participate in an interview to talk about their experiences of providing services to ethnic minority children in England. Interviews (20 – 60 minutes) can be scheduled online (Microsoft Teams) or at a place convenient to you.

You may qualify if you:

1. You must be working in paediatric hearing care setting in England for at least 1 year (full time equivalent).
2. Your current role can be any of the following: **Paediatric audiologist, Paediatric hearing clinic NHS managers, Teacher of the deaf.**

Participation involves:

- Filling out a short demographic form
- Interview (20 – 60 minutes) at the place of your convenience or online (Microsoft teams).

Benefits:

You will be compensated for your time
